Relationship to the Respondent in this action: NO Relation

I declare,

I AM VERY CONCERNED OF ^{WITH/ABOUT} THE SAFETY & WELLBEING
OF MY NEPHEWS, DAVID ^(5 years old) and ANDREW ^(19 months old) SURINA, IN THE
PRESENCE OF CARL WILSON.

My nephew, David has told me that Carl Wilson
made his butt bleed, hurt his butt and it itches
because of what Carl did.

Reported to police 12/31/2017 Report 2018-10000025

1/17/2018 - David had a comprehensive exam, advised
by therapist to exam for signs of abuse.

David has an infection on his rectum -

Carl Wilson and his wife showed up at that
medical exam, Carl was telling David's mother,
Sirinya Surina to insist that Carl's wife go
in the exam for David.

A few weeks ago, David was telling me that Carl says he has to call him Uncle. David was upset and said Carl is ~~NOT~~ my uncle, I don't want to call him Uncle. Carl is a "bummy-head". I told him, you don't have to call him Uncle, he isn't your Uncle. Now, last week, David got angry and yelled "Carl is my Uncle!" as though repeating what he was forced to do.

David (5 years old) told me he is afraid of Carl. He fears Carl being at the house waiting for him. David was happy to figure out he could hide from Carl under his bed and in the bottom of his closet, but then Carl found him. 1/23/18 END

Keith,

We have a few things we need to address this week:

1)

As discussed in your office, I'd like to extend the deadline for the final parenting plan out to the end of week. (1/26/2018) I'll head into request that extension with your reply to this email Sir.

2) 26i sworn translations of declarations signed by petitioner

We also had a 26i conference about the petitioner making claims that she does not speak english and the need for the petitioner to sign sworn translations on all of her declarations.

My understanding is you do not agree that's necessary. My concern of course is she needs to be offered due process just like any other citizen of the united states. She needs to know what is being written when she signs it. Your team made some pretty bold positions which technically grant her immunity from perjury and obstruction of justice in regards to her interpreters and understanding what is going on.

3) 26i - Mediation

We had a discussion about mediation and you are demanding that you choose the mediator, that it not be a 3rd party company where you do not have knowledge personally of the mediator and that you are allowed to mediate on her behalf or be present during those most intimate negotiations. My position is that I am pro-se, you are worried about financial reimbursement especially in light of recent evidence appearing in court, Attorneys do not belong in the mediation process and in regards to your claims that your client does not speak english, you are unable to assist her regardless. Your concern for being paid does not trump our need to settle these matters with mediation since you are unable to get your client to compromise outside of mediation. I am not arguing about community property being split in any manner. It's simple math to me. We need a true uninterrupted, unbiased mediation process without 3rd party people who have skin in the game manipulating the process for either of us.

4) 26i - GAL

We had a discussion about GAL being appointed. I've been requesting the "court appoint" a GAL and you said that the court does not appoint GAL's and we have to choose one. I will continue to look for the list of 4 GAL's that someone gave to me although again my concern is that you're wanting to appoint somebody you know or have a relationship with and I am wanting a neutral 3rd party to be involved in that process.

5) Amazon tools

Have you discussed these tools with your client? Is she stating that they are still missing? Have you asked On Wilson if she took them? I did not take them, my brother in law will write a declaration to that fact and so will the 3rd party property exchange witness. They were left in the house. If the court would like me to replace the tool set or reimburse Sirinya for these ring adjustment or jewelers tools, I am more than willing to do that at the commissioners request. Please let me know if you have a receipt for the tools and your clients position on the tools after the discussion. I was never given the opportunity to discuss these tools prior to you filing a contempt of court. There was no 26i conference about the tools.

Please send me a reply and let me know where we stand on these items Sir.

Have a great day.

Respectfully,

Aaron Surina

Mr. Surina:

While I am OK with extending the due date for the proposed final parenting plan to the end of the week, I do not agree for you to have exparte contact with the court regarding this matter. As we discussed, the discovery cutoff date needs to be extended at least 2 months.

You have misconstrued the appointment of a GAL. The court appoints a GAL if we can't agree on one. Even if we agree on one, the court still has to enter its order appointing a GAL.

You are mistaken about Attorneys representing clients at mediation. The temporary parenting plan calls for James Hatch or other qualified provider to be the mediator. I will accept James Hatch as the mediator. I do not accept Fulcrum Institute as the mediator in this matter. It may be helpful for you to contact Mr. Hatch's office and interview him to determine if he can be an effective mediator for this case. Also, please propose other qualified Washington Family Law mediators.

I will have to get back to you with regard to the tool set.

We also talked about meeting to deliver to you clean copies of the attachments to the Interrogatories I email to you on Saturday. I am assuming you are withdrawing your motion regarding competing discovery due to the fact you have received my clients answers to the interrogatories.
