In re the Marriage of:

SIRINYA SURINA

Petitioner,

And

AARON MICHAEL SURINA

Respondent.

No. 17-3-01817-0

RESPONSIVE DECLARATION OF:
SIRINYA SURINA RE: PETITIONER'S
JANUARY 25, 2018

Sirinya Surina Declares:

1. I am the Petitioner and mother of David and Andrew Surina;
2. Investigation of sex crimes to minor children. Respondent misleads the court when he suggests that my friend Carl Wilson is currently under investigation for sex crimes. It is true that Respondent and his sister, Karmen Colby, have tried to get medical professionals to create a record by working on our son, David to make untrue statements. However, the medical records he submitted to the District Court are primarily Respondent's statements about what David supposedly said to Respondent. The medical record also states that a referral has been made to CPS, NOT that the doctor has made a referral based on Respondent's statements about David. Respondent has moved on from accusing me of physically abusing our children to making ugly accusations about my friend Carl Wilson.
3. Petition for Anti-Harassment Protection Order. Before Judge Patti Walker ruled on Respondent's District Court Petition, Respondent posted on his social media account,

1 Inland-Empire Aaron, the attached posting. See Exhibit A, which is a true and correct
2 copy of Respondent's post. He indicates that I will be targeted next, referring to me as
3 "Easy prey." He seems to continue to pursue this matter with religious fervor, believing
4 ALMIGHTY GOD is on his side.

5 4. Judge Walker ruled on Respondent's District Court Petition February 1, 2018. See Exhibit B,
6 a true and correct copy of Order Denying Anti-Harassment Petition After Hearing. After the
7 ruling by the District Court, Respondent posted a continued attack on my friends, On and
8 Carl Wilson. He accuses them of being evil and me of being a witless helpless dupe that is
9 incapable of making my own decisions. See Exhibit C, which is a true and correct copy of
10 Respondent's post.

11 5. Each time Respondent files a motion; it costs me more and more attorney fees. I ask the
12 court to dismiss this motion and to award me \$1,500.00 in attorney fees.

13 I declare under penalty of perjury under the laws of the state of Washington that the foregoing
14 is true and correct.

First, these criminals trying to take my children from me, using fraud and crime hidden in civil court. After that, my ex wife will be the target. Easy prey. They think they are going to be kidnapping our kids using family court. So far, their plan has been partially successful. I could never have imagined a group of people using family court to literally kidnap children. It's sickening. They think they found an easy target. They didn't consider that I have faith in the ALMIGHTY GOD.

FINDINGS

The Court finds based upon the Court Record:

- A. The Court has jurisdiction over the parties, the minors, and the subject matter and Respondent was provided with reasonable notice and an opportunity to be heard.
- B. Notice of this hearing was served on the Respondent by: Personal Service.

The Court is unable to find by a preponderance of evidence that:

1. Respondent engaged in a course of conduct directed at Petitioners; there is also insufficient evidence for the court to find that the Respondent's actions were unlawful or designed to cause Petitioners substantial emotional distress or that these actions would have caused substantial harm or distress to a reasonable person in Petitioners position. The allegations that Mr. Wilson's conduct was part of a course of conduct directed at Mr. Suringa is unsupported by the evidence but rather indicates an attempt to support a woman involved in a contentious family law case that is ongoing.

EXHIBIT B

2. The court is unable to find by a preponderance of evidence that Respondent caused physical harm, bodily injury, assault or the infliction of fear of imminent physical harm, bodily injury or assault to the minor child Petitioner or Mr. Suringa. It should be noted that this court only included this issue in the temporary order to provide temporary protection to the child as the court did not have confirmation of this issue being addressed in the Superior Court matter. Satisfied today that this and many other issues involving the best interests of the children are being fully addressed in the Superior Court matter this court does not feel it appropriate to address allegations of sexual assault of a child through an anti-harassment order and will not do so. That said the court is finding there is not a preponderance of evidence to support any injury to the child by Respondent.
3. The court also finds that the medical reports provided do not support any finding of sexual abuse of the child and the court is concerned that the child's wellbeing as well as Respondent's are harmed by Petitioner's actions in this matter.
4. Respondent engaged in stalking of Petitioner(s) as defined in RCW 9A.46.110.

ORDER

Having entered the findings above, IT IS THEREFORE ORDERED:

The request for a Protection Order is DENIED. Any Temporary Orders issued in this matter are hereby terminated and the case is DISMISSED WITH PREJUDICE.

NOTE: Only the Civil Protection Order in this case is DISMISSED. This dismissal does not affect any other Protection, Restraining or No Contact Orders that may protect either party.

☒ Appeal Rights:

You have 30 days to file an appeal of the Court's decision. You can obtain appeal information at the District Court Clerk's Office at the Public Safety Building, 1100 W. Mallon, Spokane, WA.

RECORDS

It is further ordered that the Clerk of the Court shall forward a copy of this *Order* on or before the next judicial day to: Spokane Police & Sheriff, where Petitioner(s) live, where the order shall be entered in the state's computer-based criminal justice system used by law enforcement to list outstanding warrants.

SERVICE

It is further ordered that the Clerk of the Court shall also forward a copy of this *Order* on or before the next judicial day to: Respondent was served with this Order in Court and no further service is necessary.

They continue their isolation of their victims promising things that will never happen. It is sad to me to watch the manipulation of their clients who are helpless. Lying, saying they will lose everything if they dont do what they say....as they take it all abusing their hope. It's really evil. I've never seen such theft. Easy money for these guys.
