In re: Marriage of Surina

Petitioner/s (person/s who started this case):

Sirinya Polarj (SURINA)

And Respondent/s (other party/parties):

Aaron Surina

No. 17-3-01817-0

Responsive Declaration *RE-REPLY*
RE: PETITIONERS MOTION FOR
RESPONDENTS TAX FILING JOINT

Responsive Declaration of Aaron Surina (Respondent)

1. I am (age): 40 years old and I am the (check one): ☐ Petitioner ☒ Respondent
☐ Other (relationship to the people in this case): _____

2. I declare: There are numerous assets in Thailand including cash that have been sent, invested and promised in regards to a future retirement. A house has been built from the ground up, A toyota truck has been paid off, these investment annuities which in Thailand are sold under the precipise of life insurance that have annual returns and more.
Clearly, the petitioner has tried to deceive the court on these facts stating that we paid into an investment but the Dad has no right to the return or payout that her grandmother has taken.

The petitioner is clearly showing the court how well Dad took care of her family and how generous Dad was. Her initial filing says different but as this case goes on, we seer more and more of the truth about how much abuse Dad received, how giving Dad was, how patient Dad was with her, how disrespectful and dishonest they became once her mom came to launch this campaign to get around international abduction laws.

She has also filed that "Dad can not own property in Thailand" thus all of my hard earned money now belongs to her and Dad no right to include those community investments. Her response says "WE DO NOT HAVE ANY ASSETS IN THAILAND".

She has up to this day never pooled a single penny into our family in America. Not a single penny.. There are 0 pooled resources and as this case goes on we begin to learn that she's been planning this legal assault to get around international abduction laws by saying that Dad was some sort of batterer when the exact opposite is the case. Very Calculated.

I have attached (SEE EXHIBIT A) the sending status on 2/16 after my taxes had already been prepared and clearly it was before this was even filed although Glanzer raced to try to cause more issues. My refund amount is 1,077.00
My filing fees for the financial declaration filed on Feb 6, 2018, the child support worksheet we will be discussing and my taxes total 460.00 as attached. My refund 517.00

(SEE EXHIBIT B). I am asking the court to deny the petitioner's motion to force me into filing joint and paying her income taxes. I have been paying most of my net income in maintenance since August 14th, 2017 trying to help the petitioner get on her feet. This entire case has been based off of baseless allegations without the petitioner providing any burden of proof of any of it. She's been rewarded with the lavish lifestyle I provided her as a loyal husband, wonderful father and generous son in law while I continue to remain without a share of my income to obtain a single bedroom apartment or eat most of the time or my gas to commute to work. I would remind the court that the petitioner has provided no proof of any of the allegations that she's made in this case. I have provided numerous examples of the petitioner continually attempting to mislead the court, make disparaging remarks about me. I continue to provide for her, her mother and my two children while receiving them on numerous occasions with black eyes and bruises
(SEE EXHIBIT C FROM FEB 21, 2018) I fought for a GAL and find out that we can't actually afford it. My financial declaration, child support worksheet and taxes were all prepared by a 3rd party certified public accountant.

The petitioner's counsel REFUSED TO SIGN A CONTINUANCE OR AGREE to me putting that my request RE: child support worksheet is to "apply standard calculations as law intends". He stormed off and grabbed another sheet refusing to sign or agree to the standard calculations of Washington State Child support which is what I am requesting.

The petitioner is stating no circumstances have changed. Actually, I am currently only working 1 job now, I was working 3 jobs when the divorce was filed and she is aware of that. Furthermore, I am requesting child support credit going back to the order of 9/27 because the maintenance was not included and appears I am not paying any maintenance. Nearly my entire net income is going towards maintenance
