**RE: Declaration in Support of Sanctions Pursuant to Order On Contempt
In re the Marriage of Surina
Spokane Superior Court Case #17-3-01817-0**

Dear Ms. Peterson:

I have enclosed a Declaration with attached exhibits from my client in response to the June 12, 2018 Contempt Hearing Order in this matter.

Court Commissioner Swennumson took the matter regarding sanctions and contempt for non-payment of court ordered payments under advisement. She requested more information related to potential sanctions due to misrepresentations of one of the parties regarding receipt of utility bills.

I have provided Mr. Kuck a copy of this letter and Ms. Surina's declaration and attachments.

I respectfully ask the Court to review this declaration and enter sanctions against Mr. Surina in the amount of \$1,000.00.

Additionally, Mr. Surina is in contempt for nonpayment of the water bill because providing water to his children is reasonably related to their support. See *Decker v. Decker* 52 WA 2nd 456 (1958) and its progeny. Additional attorney fees should be awarded for this finding of contempt.

Sincerely,

Keith A. Glanzer
Attorney at Law
