v.	)	[Court of Appeals Division III]
	)	&
Sirinya Polarij,	)	Motion to consolidate cases
	)	(COA 366961) 19-3-00129-32
Defendant.	)	

Aaron Surina, plaintiff, seeks review by the designated appellate court of the 4 pages of orders of Honorable Judge Hazel at which time a takings occurred and constitutionally protected rights may have been dismissed or violated by Opposing counsel's insistent demand for obtaining property belonging to Mr. Surina prior to any trial of facts or awards and through RCW 9A.72.080, 49.60.2235, while dismissing 26.16.010,095 as invalid in this case.

The grave implications of the March 27th 2019 hearing are as follows: Hoping to obtain an accelerated review with the short time to save Mr. Surina from losing a 400,000.00 investment that Mr. Glanzer plans on picking up once the property he's forcing into foreclosure by denying my rights as 26.16.095 and 26.16.010 provide through his violations of 49.60.2235 which are perpetrated as fraud through 9A.72.080. Victim blaming has become part of the record where the only person who loses if the house does not sell or Mr. Surina is not able to keep his house due to being forced into a never ending lawsuit where his foreign wife has no idea how to stop. Perhaps the appellate would fancy the issuance of writ of mandamus. The issuance with which an experience judicial authority can write the order to effect future reform of this nature and prevent another extreme abuse of a sovereign citizen's right to be free from such over reach from the statements intentionally misleading the court to exact cruel and unusual punishment instead of divide property and set custody which takes about half an hour tops with evidence as clear as this case presents.

Experiencing such cruel and unusual punishment, intentional and willful financial damages, loss of property and it's enjoyment with the companionship of Mr. Surina's children are fundamental liberties that have been taken without just cause, misconduct or due process because someone with strong influence is able to direct the outcome of hearings to effect what does amount to a **takings occurring both regulatory and original in form.**

Being married to a foreigner which was and is still resented by many in the older senior citizen's genre, who grew up with racial animosity in their environment has been tough in this case. Statements from opposing counsel such as "You should have married an American" when his client is who I married that even in a divorce was not appreciated or acceptable. I assisted in helping naturalize Sirinya which I am proud of and she is from Asian descent. It's utter disdain for the human condition and it's a cancer to the entire process which we are in to seek justice. Even understanding that in their generation this type of racial profiling and bias may be normal, we don't accept this as decent and consider it a symptom in which a person has become desensitized to the human condition totally. This is clear from the intent demonstrated which lacks any resolve for "Ms. Surina or the Surina sons who continue to endure a tumultuous and never ending conflict which has spanned the majority of Mr. Surina's youngest son's life to the dismay of all who have respect for the precious life and minds of children and whom are not desensitized to the human condition for that matter.

MR. Surina is clearly a hostage in a lawsuit that continues to abuse and deprive him and his family of rights afforded otherwise to everyone and this suit is continuing the denial of his property rights in direct defiance of the laws including the human rights chapter (RCW 49.60.2235, 26.16.10) and through the continued use of testimony which he does not know to be true (RCW 9a.72.080) acting as if the plaintiff is not protected by the title to real property under the Washington state statutes (RCW 26.16.095) in which facts show Mr. Glanzer has no standing in these actions which by all accounts also are threadbare in form and famished of all merit. The proceeds from the house before it began to fall into default from insisting that I do not obtain the ability to rent it or keep my investment by victim blaming on the record with statements that I refuse to allow the house to sell and I refuse to cooperate with a clean normal transaction where I was never provided a copy of any paperwork to review and left out of his takeover of my house where he's playing games with the lives and financial futures of the Surina Family which I have worked hard to provide. A lawsuit where no clear claim to which relief is sought can be identified at this point. Our final dissolution came 6 months ago which was 3 months after our scheduled trial

A normal divorce has been denied to us in the Spokane County courts with our rights. The right to understand what authority Mr. Glanzer is using to perpetrate such actions against Mr. Surina would also be enlightening. Mr Surina would like to appeal to the orders and statements which came out of March 27, 2019 and have them struck from the record and the hearing rescheduled according to procedural standards and local rules which were entered on **March 27, 2019** with only Mr. Glanzer and the people he'd prepared a head for a hearing nobody else really had a chance to experience and substantial liberty interests were ripped from Mr. Surina and his two sons as well as his ex wife which may or may not understand the objectives Mr. Surina has no ability to discern after 20 months and no progress in any matter has been resolved at over 85,000.00 supposedly in legal fees for his professional services to a single woman with no job.

A copy of the decision is attached to this notice.

Superior Court of Washington, County of SPOKANE

**In re the Marriage of:
SIRINYA SURINA**

Petitioner,

And

AARON MICHAEL SURINA

Respondent.

No. 17-3-01817-0

Motion For The Following:

Contempt

Motion for Contempt Hearing

I declare:

1. I am a: Petitioner in this case.
2. The other party: Aaron M. Surina, did **not** obey the orders listed below that were signed by the court on: *August 10, 2018 and January 3, 2019* in: Spokane County, WA
3. The Temporary Order entered on August 10, 2018 ordered the parties to immediately place the family residence for sale due partly to an economic need being established.
4. The August 10th order further directed the parties to cooperate in listing the residence in a manner to effectuate a sale which closes as soon after an offer is accepted as possible.
5. A title insurance policy must be issued before the buyers can secure their financing for the purchase of the residence and for the closing to move forward.

- 1 6. The January 3, 2019 directed Petitioner, Sirinya Surina to act as agent for the
2 community to enter into a Purchase and Sale Agreement without interference by
3 Respondent. A buyer was secured within two weeks of the entry of the January Order.
4 These buyers have obtained financing, but their lender requires title insurance to
5 complete the closing of the sale of the real estate.
- 6 7. I borrowed close to \$50,000 from Carl and On Wilson to pay my attorney fees to defend
7 myself against various frivolous motions filed by Respondent. The court found
8 Respondent in Contempt and awarded attorney fees due to several of his motions.
- 9 8. As security for paying what I owed to Carl and On, I executed Promissory Notes in
10 various amounts and secured these notes with a Deed of Trust on our real property,
11 which we purchased during our marriage. The Deed of Trust was filed with the Spokane
12 County Auditor's Office.
- 13 9. First American Title Company (FATCO) was engaged to issue the title insurance for our
14 real estate. Upon completing its investigation, it required Respondent to add his
15 signature to the Purchase and Sale Agreement by addendum, which he refused to do.
16 They also required resolution on the Deed of Trust held by Carl and On Wilson which
17 created a conflict between the court's order to deposit net proceeds from the sale of the
18 real property into Keith A. Glanzer P.S.'s trust account and satisfying the Wilson's
19 secured Promissory notes.
- 20 10. The Wilson's agreed to reconvey their Deed of Trust and accept other security from me
21 to secure their Promissory Notes. Please see Exhibit A, a true and correct copy of the
22 Full Reconveyance. The original reconveyance will be provided to the closing attorney
23 for filing with the County Auditor as part of closing of the sale of the real estate.
- 24 11. Respondent still refused to sign the Purchase and Sale Agreement. He contacted
25 FATCO and threatened them with, among other things, an FBI investigation. FATCO
withdrew from issuing title insurance and conducting the closing on the real estate.
12. Donna Henry, the agreed upon and court ordered realtor, secured Spokane County Title
Company to issue title Insurance. However, Spokane County Title also required
Respondent to sign the Purchase and Sale Agreement in order to issue title insurance.
Spokane County Title refused to conduct the closing due to the high conflict dissolution
of marriage action.
13. We are at risk of losing these buyers due to Respondent's failure to timely execute a
Purchase and Sale Agreement as required by Spokane Title.
14. Respondent still refuses to execute the Purchase and Sale Agreement prepared by
Spokane Title Company in violation of the court's August 10, 2018 and January 3, 2019
orders.

1 **15. Request** – I ask the court to:

- 2
 - Approve the judgment and orders I've requested,
 - Find the other party in contempt, and
 - Approve the requests in Section 5 below.

3 **4. Money judgment requested**

4 I ask the court to approve a judgment ordering the other party to pay:

5

	Amount	Interest	From (date)	To (date)
6 Attorney Fees	\$1,200.00	\$		
7 Sanctions	\$500.00			

8 **5. Fines and penalties (remedial sanctions) requested**

9 Approve other reasonable orders, including ordering the other party to:

- 10
 - Pay a fine for each day in the amount of \$200.00 that the court's orders are not followed,
 - Meet certain conditions to stop being in contempt (purge the contempt), including but not limited to immediately (today) executing the Purchase and Sale Agreement prepared by Spokane County Title Company.
 - Pay sanctions, my lawyer fees and costs, and
 - Any other relief allowed by law (Chapter 7.21 RCW, Chapter 26.09 RCW, Chapter 26.10 RCW, Chapter 26.26 RCW, and RCW 26.18.040).

11 **6. Other orders requested (if any):**

12 I declare under penalty of perjury under the laws of the state of Washington that the facts I have provided on this form are true.
