SPOKANE COUNTY CLERK

SUPERIOR COURT OF WASHINGTON
COUNTY OF SPOKANE

In re the Marriage of:

SIRINYA SURINA

Petitioner,

And

AARON MICHAEL SURINA

Respondent.

No. 17-3-01817-0

REPLY DECLARATION OF: SIRINYA
SURINA RE: RESPONDENT'S RESPONSE
TO PETITIONER'S MOTION TO QUASH
SHORTENED TIME ORDER TO CHANGE
PRIMARY PLACEMENT

Sirinya Surina Declares:

1. Carl Wilson sexual assault of our son David: Respondent quotes our son David as accusing Carl Wilson of terrible things. He did this in Judge Walker's courtroom where she clearly ruled out abuse by Carl Wilson. Respondent brought these same accusations to this court where the court once ruled out such behavior
2. Proxy Attack: Carl and On Wilson are not my "proxies." They have had the courage to help me escape an abusive marriage and Respondent has punished them for it. Respondent has been physically abusive to me and very controlling. He continues to try to control me. This behavior was recognized by Judge Walker when he appeared in her District Courtroom. When I have signed my name on the various documents I have directed my attorney to submit to the court, it is only after I have thoroughly reviewed the documents and I am sure what is written in them are from me. I reviewed Aaron's declarations and motions and then worked with my attorney to respond to what he says.

1 On Wilson has translated Aaron's declarations to me, Carl has acted as a scribe to write
2 what On translates to him and then we go over the declarations again to make sure they
3 are right. These are my words and they will be my testimony at trial. My attorney has not
4 or does not create my facts. Mr. Surina believes it couldn't be me making statements in
5 the court file apparently because they are NOT written in the broken English that I speak,
6 or that I am too dumb to take care of myself.

7
8 3. Payments of Attorney Fees to Carl Wilson. Carl Wilson opened his credit line to help me
9 with my attorney fees. There was and is interest on this credit line. I have tried to pay an
10 interest only payment on what I owe on the loan from Carl. I am grateful he and On were
11 able to help me. Now, Respondent has exhausted this resource for me by filing frivolous
12 motions and court actions, including the action he file against Carl in the District Court and
13 the default divorce and custody orders in Thailand.

14 4. Motion to Quash. I was surprised and very upset when Respondent was able to convince
15 the court to shorten time to have a hearing to change primary placement due to us finally
16 selling our house, which caused me to vacate the house because that was our contract
17 with the buyers. Nothing was said when Respondent was "homeless" and exercising
18 residential time with our boys at various addresses. Respondent needed to shorten time
19 for this hearing because if it was heard according to the rules, it would no longer be an
20 emergency due to our Pre-trial Conference happening on June 19, 2019 and trial set for
21 June 24, 2019.

22 5. Obtaining New Housing. I cancelled 2 or 3 orders for Uhaul trailers due to thinking we
23 were closing the sale on our house. This time, I absolutely waited until Respondent had
24 signed the closing documents before I moved out. I have had to make temporary
25 arrangements until I can get permanent housing. Respondent says he is offering to help
with these expenses, but what he fails to tell the court is that there is \$56,000 in my
attorney's trust account, which would be available if Respondent stipulated to disbursing
the court ordered judgments in the amount of approximately \$28,000.

6. 50/50 Parenting Plan. I have not asked Respondent about why he hasn't signed a 50/50
parenting plan because I do not believe a 50/50 parenting plan in in the best interest of
David and Andrew. Respondent has been physically and emotionally abusive to me in
front of our children. I have consistently reported in my various declarations this abuse.

1 He is very controlling and continues to be controlling. This continues to be my testimony
2 and will be my testimony at trial.

3 7. Hallway Conversation with Respondent. Respondent is desperately trying to get my
4 attorney kicked off this case. He made similar accusations to the Washington State Bar
5 Office, which went nowhere. I have a different recollection of the hallway conversation
6 exchange. My attorney was attempting to protect me, as he always has. Respondent was
7 actually in contempt of our current court order by trying to browbeat me in the hallway to
8 see things his way. This, right after he refused to file an insurance claim that would have
9 saved us \$5,000 dollars.

10 8. Why Not Enter Travel Restrictions? The hearing is not about Travel Restrictions, which
11 are just not an issue. It is about Respondent's request to change primary placement in his
12 proposed "50/50" parenting plan due to a "crisis of homelessness" that would be resolved
13 before trial or a hearing under the regular rules of notice and response. Respondent's
14 idea of co-parenting seems to be 50/50 physical placement, which is just not in the best
15 interest of David and Andrew.

16 9. Conclusion: Our pre-trial conference is Wednesday, our trial is set for next Monday, June
17 24, 2019. I will be in my new residence before our pre-trial conference on June 19th. I am
18 asking the court to quash the show cause re: change in primary placement and
19 international travel and to award attorney fees and costs pursuant to my motion.

20 I declare under penalty of perjury under the laws of the state of Washington that the foregoing is
21 true and correct.

22 Signed at Spokane, Washington, June 13, 2019.
