TIMOTHY W. FITZGERALD
SPOKANE COUNTY CLERK

Superior Court of Washington, County of Spokane

In re: **Surina Marriage**

Petitioner:

Sirinya Polarij (Surina)

And Respondent:

Aaron Surina

No. 17-3-01817-0

Motion for Contempt Hearing
(MTSC)

Motion for Contempt Hearing

I declare:

1. I am a ☒ Respondent in this case.
2. **The other party, Sirinya Polarij, did not obey the orders checked below that were signed by the court on Sept. 27, 2017, in Spokane County, Washington.:**
 - ☒ The court ordered the following which were willfully disobeyed.
 - ☒ Multiple requests to turn over the passports through petitioner's counsel as well as in personal discussions and is always met with some reason why she's not returning them regarding some thai document that now is required to fulfill the court's order, willful refusal to comply with court's order.
 - ☒ Provide advanced notice of relocation 60 days. The petitioner has known she is moving for quite some time now.
 - ☒ Willfully refusing to follow the parenting plan and denied Veterans day by showing a fake parenting plan.

Describe how the order was **not** obeyed, including dates and amounts:

Multiple requests to turn over the passports through petitioner's counsel as well as in personal discussions.

Now

This request is met with irrational behavior, including a variety of reasons why she's not returning them..

This is a willful refusal to comply with court's order.

From November 2017 to June 2019.

*Numerous requests for children's US and foreign passports have been ignored.*_____

- ☐ The spousal support (maintenance/alimony) order to pay (amount) \$ _____ per month.

*Describe how the order was **not** obeyed, including dates and amounts:*

- ☒ The parenting plan, residential schedule or custody order.

*Describe how the order was **not** obeyed including dates and times:*

Willfully refusing to follow the parenting plan and denied respondent his granted holiday the commissioner provided specifically for Dad:

Veterans day holiday was denied by showing a fake parenting plan insisting it is accurate. _____

- ☒ The restraining order.

*Describe how the order was **not** obeyed including dates and times:*

Sirinya does the exchanges which violates the orders which were put in place by her counsel to create a perception that was not honest. I have no problem with her doing the exchanges as it's mandatory in co parenting to communicate. Her counsel has ulterior motives in submitting restraining orders without any justification other than his

Now

worry that she may not understand about a lie that has been scribed or told to the court.

No merit.

The exchanges are in violation of the court's orders (and they shouldn't be!).

Requesting the orders should reflect what the real situation is to avoid victimless violations and allow common sense coparenting regardless of Mr. Glanzer's personal feelings for his client complicating every aspect of this otherwise simple divorce.

☐ Other order: *Do not remove, destroy or hide property.* _____

*Describe how the order was **not** obeyed including dates, times, and amounts, if any:*
On August 14, 2017 after witness testified (Keith Glanzer) against respondent to obtain the upper hand in a divorce. I was forced off of my sole and separate property and was not able to return after November to pickup court ordered items available to me as well as to pick up or negotiate community property in the house. I was told "there is none of your stuff left". This is willful contempt of the court's orders.

3. Request – I ask the court to:

- **Order the other party to go to court to show why the court should not approve the judgment and orders I've requested,**
- **Find the other party in contempt, and**
- **Approve the requests checked below.**

4. Money judgment requested

☐ No request.

☒ I ask the court to approve a judgment ordering the other party to pay (*check all that apply*):

	Amount	Interest	From (date)	To (date)
☐ Overpayment to child support	\$ > 30,000 1300/mo	\$	9/2017	6/2019
☐ Past due medical support (health insurance & health care costs not covered by insurance)	\$	\$		
☐ Past due children's expenses for: ☐ day care ☒ education ☒ long-distance transp.	\$	\$		

Now

☐ other				
☐ Past due spousal support	\$	\$		
☒ Reduce Judgements – Return money to my children who have lost the most.	\$ -28,000.00? in judgements	\$		

5. Fines and penalties (remedial sanctions) requested

- ☒ Reduce judgements appropriately.
- ☒ Approve other reasonable orders, including ordering the other party to:
 - Pay a fine – civil penalty (required for violations of parenting time orders),
 - Pay a fine for each day the court's orders are not followed,
 - ☒ Meet certain conditions to stop being in contempt (purge the contempt),
 - Pay my lawyer fees and costs, reduce my judgements -
 - ☒ Advise counsel of sanctions for not complying with reasonable requests in the interests and safety of children involved.
 - Children may have foreign passports, ability to travel legally on Thai Passports
 - No exit controls exist in America at our airports.
 - Petitioner's witness pretending to be counsel is intentionally attempting to frustrate and raise costs. bill for more hearing time and delay trial to increase costs.
 - ☒ Give make-up parenting time, if appropriate, and
- Any other relief allowed by law (Chapter 7.21 RCW, Chapter 26.09 RCW, Chapter 26.10 RCW, Chapter 26.26 RCW, and RCW 26.18.040).
- ☒ Help the other party, discuss in private if she needs help getting out of debt bondage she's been forced into through manipulation of this case for 22 months..

6. Other orders requested :

- Accept the proposed parenting plan that was submitted contemporaneously with the Motion to restrict travel on foreign passports.
- Order petitioner to follow the court's orders and respect coparenting for the sake of our children.

Now

- Order petitioner to sign up for talking parent as ordered. The 3 dollars is being used as an excuse to be defiant at the most recent court's orders.
- Order petitioner and counsel attend the "Sharing the children" class offered in Spokane County in divorce proceedings to help with understanding how important both parents are in a child's life.
- Petitioner has refused to allow David go to the court ordered counseling. The response continues to blame me for billing when the state pays for his counseling due to being a victim of a violent crime in Washington state. The petitioner knows this to be true but willfully ignores the court's order to go to Crystl Murray-Mills. This is neglecting the healthcare and wellbeing of David and is in direct defiance of the order given by the Commissioner in the last quarter of 2017.
- Order petitioner follow parenting plan as proposed. This will level out the kids having to fight over the phone to talk to Dad anytime mom calls. The parenting assessment which was provided by Linda Wirtz stressed getting on an equal parenting plan as well.
- Cooperate and Coparent. We can do this without all the conflict around our children. It's been way too much litigation.
