In re: **Surina Marriage**

Sirinya Polari

No. 17-3-01817-0

And Respondents

Aaron Surina (AAS/DMS Minor Sons)

Affidavit of:

Aaron Surina

(DCLR)

Affidavit of Aaron Surina

- 1.** I am 42 years old, the Respondent in this case and father of David and Andrew Surina.

I am not leaving her penniless, nor do I have any intention to leave her penniless. My actions have always been to provide and protect her, my children and our overall wellbeing and financial stability. This is true to this day regardless of divorce or marriage outcomes. Her counsel and his primary client Carl B. Wilson, who wrote and funded this lawsuit also appears to be the sole benefactor for everything she receives in this case as is evidence of the contracts that have been submitted through counsel Mr. Glanzer of her indentured servitude which counsel helped her agree to.

Carl Wilson has a financial motive including obtaining even the child support payments for the children through Keith and Carl's contract bondage she's now indebted to. I speculate that intimidation, manipulation and threats (which have been witnessed, submitted to the court and in this case file), have been used to obtain her signature and force her to

become penniless in order for Carl to have a residual income of his own. The deed of trust that Keith and his client Carl coerced Sirinya into signing for 34,000.00 was placed on my separate property without my knowledge or agreement as the titled real property owner and was open ended and filed on property worth more than 350,000.00 to be paid to Carl and Bang-On Wilson. Again, it is not my intent nor has it ever been to leave her penniless. It is my intent to protect Sirinya, her mother, my children and myself from these criminal acts, predatory loans and involuntary servitude which amounts to human trafficking by statute in Washington State. (RCW 9A.40.100).

Again I am requesting the court ordered Guardian ad Litem be enforced. This was and is the collection of an unlawful debt by counsel and his client Carl. (RCW 9A.82.045 is a Class C felony)

Carl's fraudulent Deed clouded my house with an illegal and fraudulent instrument until late March of 2019. My house could not sell with this deed of trust as nobody would insure the title until it was removed. Anybody privy to that instrument being placed on title to real property fraudulently is guilty of a Class C felony. (See exhibit A) That includes Mr. and Mrs. Wilson, Richard Perednia Esquire, Keith Glanzer and Donna Henry if she knew too. Their inability to process a fraudulent real estate transaction cost me alone tens of thousands of dollars in lost and wasted rental income. They were attempting to leave Sirinya, myself and our children absolutely penniless and homeless in hindsight. I suspect that's part of forcing her to rely on Mr. Wilson since he's isolated her from literally anybody who would have her real best interests at heart including advising on items like these loans. Again, in this same manner with excellent trickery upon the court continually, we have been denied the things the court has ordered for the overall wellbeing, safety and welfare of all of the Surina's.

They have evaded any services meant to be a safety net or pane of glass into the living arrangements of my children. Carl is claiming he took out loans to cover Keith's fees for submitting non-lawyer work for Carl who is not licensed to practice law, and who claimed she signed power of attorney which is another conflict but has yet to supply the required documents to prove such absurdities. It appears Mr. Wilson, an extremely clever opportunist has created a residual income off of the back of a single woman with two children to feed and no job. Carl and Keith obtained signatures on complex loans that Carl and Keith know she has no way to ever pay back. Her counsel continuously blames me for financial bondage they have forced her into. Those contracts were placed on her and caused her to be penniless for the rest of her life. I have nothing to do with her being coerced by clever trickery that she was going to come out rich and with sole custody through Keith's ability to deceive the courts while enslaving her into involuntary servitude to Carl Wilson, who is her power of attorney without her knowledge and which was clearly something planned from the beginning. Mr. Glanzer was certain there was 250,000.00 in equity in my separate property. When they found out the truth, these loans began to enter their pleadings without any signatory pages as Rule 36 and 45 require. She is an indentured servant now to Carl B. Wilson. He makes the decisions even on the relationship with me and my children. This was never the court's intent and she can not regain control of our children from Mr. Wilson. He has no rights to my two sons, but she has signed legal documents giving power of attorney or full rights and control of my children. CPS has reported that she associates with company who CPS deemed inappropriate or undesirable to be around children.

2. Again I have to file a motion to obtain what the court has already ordered due to counsel's influence and refusal to allow the services the court deemed required and justified.

Evidence of all of these things is in this court file. In regards to previous requests for a Guardian ad litem, that portion was not addressed because this case "was moving to Judge Price" who will pick up the case where Judge Hazel left off. The G.A.L. process was to fall under Judge Price with the case. See Exhibit B, a true and correct email requesting the real community property be liquidated to obtain a guardian ad litem after opposing counsel stalled, sabotaged and delayed the sale of my separate property. See Exhibit C, a receipt from Nov. 16, 2018 when I paid the G.A.L. fee using a 2 mortgage payments so that trial wouldn't be held up. **I requested a fee waiver for the G.A.L. fees back in March of 2018 and opposing counsel argued against it stating it was not his clients position to agree to waiving the G.A.L. fees.** Both of us were in an indigent state by that time but Mr. Glanzer continued to parade misleading notions that I had plenty of money to pay for a G.A.L. and it was I who was trying to avoid such services. This trickery has left my children without any oversight and in an environment that will likely affect them for years to come.

- 3.** I saw no exhibits attached which represent any of this claim. See Exhibit D (Email to Crystl the counselor after hearing their story that I had not paid the bill when the state even covered a part of the bill since David was a victim of crime) I have found that usually these claims are unfounded and have no standing when counsel refuses to attach the evidence he alleges to be in possession of. This does not address my requests in motion. Frivolous and misleading responses by counsel should require explanation or sanctions. Counsel has never provided nor does he have authority to provide 3 GAL names. Susan Robson does that. My standing has not swayed at all in regards to obtaining and waiting for the court to provide the GAL according to court rules.

- 4.** My reason for requesting Mari Luna should be crystal clear to the court given her reputation. Clearly Mr. Glanzer agrees that Mari was the first strike and he struck her.

5. Mr. Glanzer was just a couple weeks ago suggesting his friend Pat Donahue be the Guardian Ad Litem. This request to pursue trial without the Guardian ad litem is consistent with the detours, diversion and minimizing the best interests of my children. This has been 2 years of MR. Glanzer smurking, creating utter chaos for every member of the Surina family and profiting for his primary client **Carl Wilson**. Sirinya is in financial bondage essentially for the rest of her life including everything she gets out of this case. All of it goes to Carl Wilson, (the person who Keith Glanzer has claimed is the author and "scribe" as well as the financier of this lawsuit). I don't have to remind the court that the collection of an unlawful debt is a class C felony. (RCW 9A.82.045)

Mr. Glanzer who ensured she was fit to sign these complex and predatory loan agreements intended to divert her portion of whatever the court deems equitable in property division to Mr. Wilson. 77,000.00 at 18% interest including payment of all child support. Which has been before the court and confirmed by her counsel in this court case. As far as penniless, 2018 Finances (Jan – Dec YTD) show that Sirinya received through Mr. Glanzer's artful and persuasive influence, 1000% of the net income from my wages that I received (or roughly 10 times the amount – I received about 10% of the amount ordered for her outside of the Washington State CS standard calculations found in RCW 26.09.071). Mr. Glanzer states that the finances have not changed since the beginning and I agree with him. I, along with an advocate present that day in Sept of 2017 insisted that Heather Hoover return to the commissioner to correct the error. That did not happen. See exhibit E (accurate 2018 child support worksheets showing overpayments and underpayments). . Nearly my entire paycheck went to Sirinya and the court refused to correct it all the way back in 2/2018 stating that no changes occurred that would grant a modification., I only requested that the

state standard calculations apply to our case. That protection found in 26.09.071 was denied. Maintenance was renamed to "community expenses" in direct defiance of IRS-555.

6. I do not see any reasonable responses to the pleading submitted August 2, 2019. The reply seems to be very consistent to the entire case. Detouring and fighting anyone who comes close to becoming involved with the custody and wellbeing of my children.

I ask the court to please grant these items, and help us get out of this hostage situation where opportunists have plundered everything from a young family and taken the Petitioner captive for years to come.

The attached is incorporated as my sworn statement as signed below.

I declare under penalty of perjury under the laws of the state of Washington that the facts I have provided on this form (and any attachments) are true. ☒ I have attached (number): 7 pages.

These ends do not justify the means. I accept the courts orders but do not agree with selling the house. I will accept the theft of my entire existence since you seem to be.

Let's be honest for a second. We have a court order to liquidate assets to pay for the children to have their own lawyer. The house missed the mark to make the trial date with a GAL report. It will not provide liquid funds until escrow closes. Can they agree on that?

We need 2500 dollars...to move towards closure on this case.
Can they agree on that?

Spokane Hyundai is waiting for the vehicle to arrive to inspect and provide a check for between 3 to 5,000.00 - Pay the GAL and put the rest into Glanzer's trust or put towards depositions which are also needed to move forward.

Please request they bring the vehicle down to Spokane Hyundai today. Let's get the money instead of lose the car. My own rent and utilities are going to force a massive deduction in available income.

I accept whatever the court says on the house until it's motioned otherwise.

Please take it to Spokane Hyundai. It's behind too. I can't appear to be transient any longer. I need a washer and a refrigerator. The cost of living without use of your home is extreme. I can not continue under this ex parte 14 day existence 15 months later. Neither could you. Nobody can continue to do this while your children watch and learn to talk about how dad does not have a house and mom has all of the things needed.

What is going on.
