DOMESTIC TRIAL MANAGEMENT
JOINT REPORT

Respondent: AARON SURINA (& DMS / AAS)

(JSR)

A Domestic Trial Management Joint Report is a necessary tool for the trial of this case. It must be prepared on this form and must be filed and served one week before the scheduled trial date. Failure to file this report or to provide the information requested may result in the imposition of monetary sanctions, exclusion or restriction of use of evidence at trial, or entry of a default judgment. This is a **joint** report, requiring counsel to meet, confer, and attempt to resolve differences in the matters addressed in this report. A copy of this report must be provided to the assigned judge.

A. **MEETING:** The parties, by their attorneys, met at _____
(address)

on _____, could not settle the case and are prepared to proceed to trial.
(date)

B. **TOTAL NUMBER OF TRIAL DAYS** (Including petitioner's and respondent's case): 4

2. LIST OF ISSUES WHICH ARE NOT IN DISPUTE:

- 3. I have had to pay nearly 90% of my income for nearly 2 years outside normal calculations and should be reimbursed for those errors on behalf of the state and the parties in the case.**
- 4. The orders the court gave Nov 8 were under the notion the financials were for 2 houses. I am roughly 33-36,000.00 overpaid and**
- 5. I am a good father.**
- 6. We had a beautiful family and the real reasons this is all happening have not been disclosed to me.**
- 7. Carl is the actual Petitioner and has acted in unspeakable manner with the motive of personal gain, relief of debts, relief of legal fees with financial gain as a motive**
- 8. Carl and Keith have used a Divorce to obtain things the normal divorce would not provide.**
- 9. I took very good care of my family including my ex wife and her mother and her brother and her uncle. I took great care if my in-laws.**
- 10. My Financial standing has been completely destroyed by fraud perpetrated in this courthouse and for no valid reason.**
- 11. I invested to build a house in Thailand, was promised it would be a place for us to retire.**

12. I can't have property in my name in Thailand. We have a 2 story house in Thailand that is in Sirinya's name and she's consistently tried to conceal that fact knowing I have proof.
13. Sirinya has not spoken or written a single word in this case.
14. We were married 3 times, 1 ceremony, 1 legal license to follow USCIS rules which forced marriage within 90 days of arrival.
15. We then saved all money to return to Thailand and hand it over to Mom in Feb 2013 for a traditional Thai wedding.
16. Carl Wilson has been able to coerce Keith Glanzer into perpetrating fraud on the court on serious items that influence the outcome of the case.
17. Petitioner and partners in action - Intent: Alterior motives in allegations; Used to obtain power over my family which the court has granted 100% control for nearly 2 years
18. This cleaned us out for every asset we own without a single item being resolved under a false notion of high conflict –
19. Counsel and his friends consistently confuse Sirinya and tells her she deserves an outcome that divorces never provide so she stays in and refuses to negotiate away from that.
20. I have overpaid spousal support
21. I was mistakenly ordered to pay "community expenses" that were not community at all. Those items that are not community, are spousal support and as such, are reported appropriately to the federal government.
22. It would be tax fraud for Sirinya not to pay her taxes on income she was provided. It was not in the best interests of the children or the "community" to force me into financial ruin, destroy all available capital, shutdown my online business for good due to lack of investment capital, force me out of even a jacket and refuse to provide one (family non-support) requiring a sheriff to demand the basic clothing items required for late October.
23. Carl lied and has financially forced Sirinya into involuntary servitude by "helping her get out of an abusive marriage" which they know very well that there was no abuse from me towards Sirinya.
24. Benjamas was arrested for scamming tourists in what's known as "the karaoke scam" in Bangkok
25. Benjamas was arrested for scamming people in a gambling scheme and went to jail in Bangkok

26. Sirinya has multiple birth certificates with different dates and locations of birth.
27. Sirinya has a passport with someone else's picture on it
28. Sirinya actually was not the one communicating with me between when we met and when she came here but she did not tell me that.
29. I was communicating with other people whom I have no idea who or where they are. I was tricked into thinking it was her.
30. I was the victim of domestic violence as a male and gender discrimination has allowed this case to continue with help from the influence Mr. Glanzer has in that court house.
31. I do not have an enemy in the entire world.
32. The LDS church does not endorse any of these proceedings or their underlying intentions and motives.
33. The LDS church was contacted by me searching for services and resources to deal with my wife and the concerns I had while I was at work leaving her alone with my children. My inquiry through missionaries that I used to invite over a few times a week and feed is how we met Carl and On Wilson.
34. Carl Wilson is apparently the leader of a small cult church in Spokane called new horizon?
35. Carl Wilson states he is LDS but promotes his wife going and giving sacrifices to statues at the WAT
36. Buddhist temple contrary to the LDS doctrine.
37. Carl Wilson is a 3rd party to this case and should absorb the fees for his frivolous and abusive use of these proceedings to financially profit and obtain the assets from his fraud by proxy of the Petitioner and gender discrimination in the courts.
38. I have a right to action and damages with regards to the injury to my children and the abduction of my children (abduction is removing children from someone who has a right to them) by manipulating services intended for the protection of real victims of violence
39. Carl and On were found to be unreliable in statements and as well their lawsuit was dismissed due to the "uncredible" nature of them/their pleadings.
40. The property on Rocky Ridge was separate property.
41. Keith Glanzer illegally manipulated a dissolution by attaching an ex parte restraining order without any justification warranting such an abuse to profit off of the assets which they would manipulate from my wife's possession once removing me from my fundamental liberty interest of my real property, forcing me out of business.

42. Carl knows about Sirinya being violent.

43. Carl has never seen me do anything other than take care of my wife and children better than he took care of his own.

44. Carl's own family does not keep in contact with him in the same city.

46. LIST EACH ISSUE THAT IS DISPUTED (Issues not identified here may not be raised at trial without leave of court):

47. That I have filed a frivolous motion.

48. That Pro-Se litigants are expected to adhere to the same standards as a lawyer

49. That the finances were property calculated

50. That the finances were legal to order

51. That I have a right of action against those perpetrating fraud in this case

52. That I did not have a right to any of the benefits of having title to real property which provides numerous statutory and federal rights as a property owner.
53. Error: That the court had the authority and justification to remove me from my sole and separate property
54. Error: I was not granted a protection order to remove someone from coming on my sole and separate property in an attempt to protect my family.
55. That counsel had a right to charge for legal services after testifying as a witness under RPC 3.7
56. That counsel has performed the work equal to 77,000 dollars
57. That Sirinya should be charged for legal representation of Carl Wilson.
58. That Sirinya agreed with the protection order and supported Carl – She refused to provide any input to that.
59. That Sirinya does not fear Carl.
60. That Sirinya was informed that this case was going to cost her all of her portion of the proceeds like the marriage in Thailand.
61. That Sirinya's occupation was a salon worker when I met her.
62. That Sirinya was and has always been the primary caretaker of my two sons.
63. That Sirinya pooled any resources into her life in America. (\$0.00)
64. That I ever punched Sirinya, slapped Sirinya, kicked Sirinya, or did anything of the sort other than defend myself from Sirinya's aggressive and violent attacks
65. That I was a woman beater or batterer of any kind.
66. That my father did not raise an honest and caring man with integrity.
67. That everything is my fault in a no fault divorce state.
68. That I did not give everything to try to placate Sirinya while having fell out of love with her after about 6 months of non stop physical violence going back to 2013.
69. That anyone else involved in this case would have made it this far out of love and hope for their family.
70. That Benjamas has parenting skills. Sirinya was raised by her grandmother due to the issues with Benjamas and her lifestyle.

71. Price of all of my belongings that were taken from the house without my permission.
72. My rocky ridge property was separate property.
73. The house had to be sold to pay for a Guardian Ad Litem because Sirinya did not want to bring the facts of the finances to the court as the RPC requires and Keith decided to allow his client to mislead the court with false information.
74. 215 village number 16 property not in Grandmother's name and belongs to Sirinya and I.
75. Sirinya knows I can not own soil in Thailand. This is part of our marital property settlement that has been under attack along with a valid quit claim for the entire case.
76. This case was about liquidating our assets and charging for them to be transferred to Keith and Carl, it was not about a divorce.
77. The false story told in the court house and in Carl's pleadings Sirinya signs that we are not able to settle. The only reason we aren't able to settle is because she's no longer the decision maker and is not allowed to "settle" regarding her interests. They have been sold to Carl. He's now her "Dad" and power of attorney and owner it appears.
78. 3rd parties are making decisions without me regarding my children.
79. My children have been denied the right to healthcare even with the court's order.
80. My children have little emotional bond with their mother due to her lack of empathy and desire for nurturing. This may be due to her childhood being so extremely disheartening.
81. I have overpaid child support somewhere in the ballpark of 33,500.00 between August 2017 and June 2019 of which I am expecting reimbursement immediately.
82. I have been forced to live in the streets for 17 months which was absolutely unnecessary
