Child Support Order

MICHAEL P. PRICE

1. Money Judgment Summary

No money judgment is ordered.

Findings and Orders

2. The court orders child support as part of this family law case. This is a final order.

3. The *Child Support Schedule Worksheets* filed separately are approved by the court and made part of this Order.

4. Parents' contact and employment information

Each parent must fill out and file with the court a *Confidential Information* form (FL All Family 001) including personal identifying information, mailing address, home address, and employer contact information.

Important! If you move or get a new job any time while support is still owed, you must:

- Notify the Support Registry, and
- Fill out and file an updated *Confidential Information* form with the court.

Warning! Any notice of a child support action delivered to the last address you provided on the *Confidential Information* form will be considered adequate notice, if the party trying to serve you has shown diligent efforts to locate you.

5. Parents' Income

Parent (name): Sirinya Surina	Parent (name): Aaron Surina
Net monthly income \$ 2,144.37. (line 3 of the Worksheets)	Net monthly income \$ \$6,208.07. (line 3 of the Worksheets)
This income is: ☒ imputed to this parent. ☐ this parent's actual income (after any exclusions approved below)	This income is: ☐ imputed to this parent. ☒ this parent's actual income (after any exclusions approved below)
Does this parent have income from overtime or a 2nd job? ☒ No. ☐ Yes.	Does this parent have income from overtime or a 2nd job? ☒ No. ☐ Yes.

6. Imputed Income

To calculate child support, the court may **impute** income to a parent:

- whose income is unknown, or
- who the Court finds is unemployed or under-employed by choice.

Imputed income is not actual income. It is an assigned amount the court finds a parent could or should be earning. (RCW 26.19.071(6))

Parent: Sirinya Surina	Parent: Aaron Surina
This parent's monthly net income is imputed because: this parent is voluntarily unemployed. The imputed amount is based on the information below: (Options are listed in order of required priority. The Court used the first option possible based on the information it had.) Full-time pay at minimum wage in the area where the parent lives because this parent: recently worked at minimum wage jobs.	Does not apply. This parent's actual income is used. <i>But not to exceed Basic 40 hr/week calculations or future alternative income if ambitious</i>

1 **7. Limits affecting the monthly child support amount**

2 Does not apply. The monthly amount was not affected by the upper or lower limits in RCW
3 26.19.065.

4 **8. Standard Calculation**

5 **All children living together** - All of the children are living with Sirinya Surina most of the time.
6 The other parent must pay child support. The standard calculation from the *Child Support*
 Schedule Worksheets line 17 for the parent paying support is \$1,466.68.

7 **9. Deviation from standard calculation**

8 Should the monthly child support amount be different from the standard calculation?:

9 **Yes** - The monthly child support amount ordered in section 10 is **different** from the standard
 calculation listed in section 8 because:

10 A parent or parents in this case has:

11 The children in this case:

12 Spend significant time during the summer months with the parent who owes support.
13 The non-standard amount still gives the other parent's household enough money for the
 children's basic needs. The children do not get public assistance (TANF).

14 **The facts that support the reasons checked above are:**

15 Detailed in the *Worksheets*, Part VIII, lines 20-26

16 As follows: The children spend an equal amount of time with each parent during the
 months of June, July and August. when he shall pay \$733.34 for both children.

17 **10. Monthly child support amount (transfer payment)**

18 After considering the standard calculation and whether or not to apply a deviation, the court
19 orders the following monthly child support amount (transfer payment).

20 **All children living together** - Aaron Surina must pay child support to Sirinya Surina each
 month, except for June, July and August as follows for the children listed below:

21

Child's Name	Age	Amount
22 1. David Michael Surina	7	\$733.34
23 2. Andrew Alex Surina	3	\$733.34
24 Total monthly child support amount:		*\$ 1,466.68

- Aaron Surina must pay \$733.34 in child support to Sirinya Surina during the summer months of June, July and August.

11. Starting date and payment schedule

The monthly child support amount must be paid starting December 1, 2019 on the following payment schedule:

In two payments each month: 1/2 by the 5TH and 1/2 by the 20TH day of the month.

12. Step Increase (for modifications or adjustments only)

Does not apply.

13. Periodic Adjustment

Child support may be changed according to state law. The Court is not ordering a specific periodic adjustment schedule below.

14. Payment Method

Send payment to the:

Washington State Support Registry. The Division of Child Support (DCS) will forward the payments to the person owed support and keep records of all payments.

Address for payment: Washington State Support Registry
PO Box 45868, Olympia, WA 98504

Important! If you are ordered to send your support payments to the Washington State Support Registry, and you pay some other person or organization, you will **not** get credit for your payment.

DCS Enforcement: DCS will **enforce** this order because: One of the parties has already asked DCS for services.

15. Enforcement through income withholding (garnishment)

DCS or the person owed support can collect the support owed from the wages, earnings, assets or benefits of the parent who owes support, and can enforce liens against real or personal property as allowed by any state's child support laws without notice to the parent who owes the support.

There is no good reason to delay income withholding.

16. End date for support

Support must be paid for each child until the child turns 18 or is no longer enrolled in high school, whichever happens last, unless the court makes a different order in section 17.

1 **17. Post-secondary educational support (for college or vocational school)**

2 **Reserved** - A parent or non-parent custodian may ask the court for post-secondary
3 educational support at a later date without showing a substantial change of circumstances
4 by filing a *Petition to Modify Child Support Order* (form FL Modify 501) The *Petition* must be
5 filed *before* child support ends as listed in section 16.

6 **18. Claiming children as dependents on tax forms**

7 The parties have the right to claim the children as their dependents on their tax forms as
8 follows:

9 Every year - Aaron M. Surina has the right to claim David Michael Surina and Andrew
10 Alex Surina ~~so long as Sirinya Surina does not benefit through the tax code to claim one~~
11 ~~of the children, either through her employment or qualifying for an Earned Income Credit~~
12 ~~as currently defined or by future amendments.~~

13 For tax years when a non -custodial parent has the right to claim the children, the
14 parents must cooperate to fill out and submit IRS Form 8332 in a timely manner.

15 **Warning!** Under federal law, the parent who claims a child as a dependent may owe a tax penalty if the
16 child is not covered by health insurance.

17 **19. Health Insurance**

18 **Important!** Read the Health Insurance Warnings at the end of this order.

19 The court is not ordering how health insurance must be provided for the children ~~because~~
20 ~~the court does not have enough information to determine the availability of accessible~~
21 ~~health insurance for the children (insurance that could be use for the children's primary~~
22 ~~care). The Division of Child Support (DCS) or either parent can enforce the duty to provide~~
23 ~~or pay for health insurance~~ *Father not obligated to pay -*

24 **20. Health insurance if circumstances change or court has not ordered**

25 If the parties' circumstances change, or if the court is not ordering how health insurance
must be provided for the children in section 19:

- A parent, non-parent custodian, or DCS can enforce medical support.
- If a parent does not provide proof of accessible private insurance (insurance that can be used for the children's primary care), that parent may have to:

~~make~~ DAD Follows Verbatim
