Mrs. Colby

Thank you for the additional information. As you know I have an open investigation regarding the alleged physical and sexual abuse under police incident 2020 20188328. I just spoke to Rera Perez from CPS and she advised that they also have an open investigation regarding two recent intakes. Unfortunately the Child Advocacy Center is extremely busy and they aren't able to interview the children until 11/19 so my investigation will be delayed until after that date.
