Re: Last week of Summer
(DCLR)

Declaration of : Sirinya Surina

I received yet another last minute email from Respondent at 3:31 pm Dec 15th 2020

He attempts to argue that the last week of summer is pegged to the date that school starts.

The Parenting Plan is very specific on pg 4 of 10 section 9 lines 8 & 9 that the summer break

"Ends on the Sunday preceding the Labor Day weekend" Against my strong objection in my message

in the Parenting App to Respondent Aug 29th Respondent still showed up at my house and picked up

David and Andrew. I did not want to create another traumatic exchange for the boys so I did not

interfere even though I knew that it was supposed to be my week. I have attached proof that he picked

David and Andrew up at 6:15 pm August 30th and returned them to me at 6 pm Sept 6th.

I declare under penalty of perjury under the laws of the state of Washington that the facts I have provided on this form (and any attachments) are true. I have attached 2 pages.

Signed at (city and state): Spokane, WA Date: Dec 16th, 2020

Can you drop the boys off at my house at 6
pm or would you prefer to meet at the
McDonalds at Liberty Lake?
