FACTS SUPPORTING AARON SURINA

1. Sirinya Surina refuses to abide by the court ordered parenting plan that says "receiving parent picks up".
2. Aaron Surina has never argued about picking up his children or attempted to cut the petitioner's time short on pickup day.
3. Petitioner wanted to interrupt Dad's Bday party for DMS **SEE EXHIBIT A, B & C**
4. Aaron Surina does not understand why the petitioner insists that pickup at his house would be any other time than 6pm.
5. The court ordered parenting plan says receiving parent picks up at Sunday 6pm.
6. Sirinya Surina alleges that she had a right to force respondent to leave and end the birthday party before 6pm and she does not have any requirement to pickup the children as the court ordered. **SEE EXHIBIT B**
7. Aaron Surina asserts that he is not ordered to drive children to any chosen location to arrive at 6pm on Sirinya's demands or discretion. **SEE EXHIBIT B**
8. Aaron Surina did offer to drive his sons to Sirinya on 8/9/2020 even while on crutches to be cooperative. Aaron Surina did take his sons to Sirinya
9. Sirinya Surina's fraudulent and misleading allegations and attacks are continuous and often followed with threats to take Mr. Surina to court..
10. This is another example of how Sirinya Surina insists on using the courts to harass, manipulate, coerce and abuse Aaron Surina.
11. This is also a fine example of the abuse of civil proceedings to effectuate an order of full custody based on lies and fabrications.
12. These events of Sirinya Surina repeatedly filing false claims to the court, requesting Writs multiple times, requesting that Aaron Surina be jailed and lose his rights to parent his children are factually baseless and threadbare.

(FACTS SUPPORTING AARON SURINA continued...)

13. Sirinya Surina's pleadings and requests to the court November and December 2020 were submitted while in the midst of active major crime investigation of reports of child abuse and child molestation - reported by child, DMS, teachers, DCYF and family .

CONCLUSION

1. These attempts to steal custody from Dad are fraud and should be met with cr11.
2. Parenting Plan during the summer is 50/50 - Receiving parent picks up Sunday 6pm.
3. Please see attached Exhibits A-C which example dishonor.
4. Aaron Surina had injured his foot and was on crutches from the day before while playing with his sons at the waterpark at Triple Play in Hayden, Idaho.
5. Even while on crutches, Aaron Surina did drive his sons to Mom's house, ending DMS birthday party on time, to leave at the court ordered parenting plan schedule of 6pm.
6. The continued harassment, conflict and abuse by Sirinya Surina by these proceedings negatively affect Aaron Surina and his children and are contrast to any concept of peaceful co-parenting as Aaron Surina consistently is in hope of; Absent of harm and abuse of the children while with their mother.
7. Aaron Surina seeks relief from this court in these matters. This continues and only the court has the power to subdue these types of continuous and baseless attempts at full custody of our children. **Thank you to the honorable for your honor.**

I declare under penalty of perjury under the laws of WASHINGTON and the united States of America that the foregoing and any attached is true and correct.

See you at six here and either meet you halfway or at your house. They're not leaving here until 6pm because we're having a birthday party.
Let me know when you can
