AFFIDAVIT OF FACTS

AFFIANT AARON SURINA ATTESTS THE FOLLOWING FACTS:

1. I am a Respondent and father of both children involved in these cases.
2. I am competent to testify of the facts set forth herein as the victim of yet another example of the willful disregard for what the court or judge ordered in the final ruling of November 27, 2019. The verbatim of the final ruling is incorporated by reference as set forth fully herein.

1/5

- ✓
2. The other party, Sirinya Polarj, did not obey the orders checked below that were ordered by the court on Nov 27, 2019. The Court's final ruling outlines the following:
- ✓ Page 32, Lines 1 - 11 Judge Price orders that tax exemptions for both of his boys go to Mr. Surina every year from 2019 - forward every year.
 - ✓ Page 39, Lines 17-19 in response to opposing counsel's argument for Ms. Polarj on the deductions which was overruled 2 times.
 - ✓ Page 39, Lines 24-25 opposing counsel being honest about the deductions and agreeing it is fair for Mr. Surina to have them allocated to him. Page 38 outlines how opposing counsel was supposed to contact Mr. Surina to go over the pleadings to turn in for Dec 20, 2019, so that they could be signed off prior.
 - ✓ Opposing counsel never followed the court's order and instead waited until the 15 minute presentment window to review his pleadings as Mr. Surina had expected to have a say if they were not accurate but no opportunity was given and no hearing was held. Mr. Surina hadn't even had a copy of them prior.
 - ✓ Ms. Polarj knows the actual orders but plays the game of back and forth between the two final orders depending on what she feels is convenient or financially benefits her more as the orders only favor her and have no inclusion of Mr. Surina's benefit.

- a. Sirinya advised that she claimed both boys and refuses to comply with the court's order.
- b. The third time, Sirinya came out to the car at drop off, causing typical issues and stated she will not be signing the exemptions because she decided she could benefit from the exemptions.
- c. Mr. Surina tried to be reasonable, advising that an tax amendment would be easy and it would prevent both parties from having to go through the entire process of a hearing on something that is already clear and she has already argued for these "credits" last year
- d. Mr. Glanzer, her lawyer tried to get Judge Price to see this matter in his favor unsuccessfully twice on November 27, 2019.
- e. If Sirinya would follow the rules, she could potentially cut down on the over 1600 dollars in excess interactions caused by secretly claiming dependents to obtain something that was ordered as a setoff to Mr. Surina because of the judgements that Judge Price stated he "did not agree with".
- f. Sirinya knowingly and intentionally filed for dependants she has never supported financially, with the intent to deprive Mr. Surina of what was lawfully his to claim. It costs time and money to deal with the never ending attacks on Mr. Surina.
- g. When Mr. Surina requested her financials, she replied that they are none of his business (see attached Exhibit B - OurFamilyWizard messages of Mr. Surina trying to reason 5 even 6 times offering to allow her to amend her taxes without going to court and wasting the court's time but she **"respectfully declined"** in contempt of the court's orders and intentions which were sent.
- h. They went through this last year for the 2019 taxes immediately after the final ruling was presented with all of Mr. Surina's awarded items omitted by her attorney.
- i. Mr. Glanzer had to send them to Mr. Surina because the petitioner refused to comply last year.
- j. Mr. Surina asked Sirinya Polarj to sign the 8332s and amend her return after being told she claimed both boys in 2020 so she could get more money.
- k. Mr. SURina tried numerous times to reason with Sirinya but she demanded that the boys are hers and any money is hers too.
- l. I tried to prevent the hearing as I explained to her that I did not have to return to court
- m. Sirinya simply smiled and said Mr. Surina needs to read her lawyers version of the orders which changed the award given on November 27 in the final ruling to her from me without a hearing.
- n. Sirinya decided that stealing money from Mr. Surina is worth the risk of contempt of court.
- o. She claimed his tax exemptions which he's still paying off the family bills from the divorce .
- p. Mr. Surina was ordered to pay nearly 20,000 in a fraudulent judgement from May of 2019 where Judge Hazel denied the judgement in a contempt hearing but the court wouldn't take the time to listen to the trial minutes and instead took Mr. Glanzer's proposed orders as fact which has happened on numerous occassions costing well over 100,000 in fraud through court orders and collusion.
- q. It's one thing to win such awards with standing but it's another to fraudulently procure them through privilege and access within the court using intimidation and threatening commissioners with judicial cannons during their first year on the job.

- 1) OTHER CIRCUMSTANCES REMAINING OUTSTANDING AND IGNORED
- 2) Mr. Surina was ordered to pay for a fraudulent 2003 excursion which was and has been a total fictitious and fraudulent theft of 4,500 dollars. Mr. Surina has yet to receive the 9,000 dollar vehicle he paid her half of. This is collection of an unlawful debt. It's a felony in WA state.
- 3) Mr. Surina's credit and financial profile was literally destroyed while Ms. Polarij's credit was getting better and better as nobody was forcing her into foreclosure on her properties, committing identity theft, opening accounts under her name, filing fraudulent insurance claims using her identity and the rest of the things that the court helped her lawyer do to Mr. Surina as a favor.
- 4) Sirinya was provided 1000% more of Mr. Surina's income than he was allowed of his own labored pay. The state support threshold was well below the federal poverty guidelines from August 2017 to June of 2019 which reduced the child support during those months to 50/child.
- 5) It's paying "community expenses" and the court did not award spousal support!! Except by law, the child support was (as is now) way beyond the actual income of Mr. Surina after the deductions which were being hidden intentionally by collusion of commissioner Swennumson and counsel Glanzer whom intended to participate in human trafficking of Mr. Surina.
- 6) The standard calculations for washington state child support reduce the support obligations to 50 dollars per child if the deductions were properly applied.
- 7) Mr. Surina had a permanently sworn CPA under title 26 prepare his financial declarations and child support worksheets but the court ignored these properly calculated submissions as well.
- 8) Mr. Glanzer was able to demand that the laws are ignored and Mr. Surina was a victim of the collusion which is human trafficking due to his privilege and access within the Spokane County courthouse.
- 9) Mr. Surina has overpaid child support nearly 40,000.00 while the commissioner colluded to keep him homeless and unable to financially defend his children or himself or obtain counsel until he signed the house over to Mr. Glanzer. See motion to modify child support 3/2018 requesting standard calculations apply to his child support case and being denied by reason that the court did not award any spousal support but did find him in contempt for not paying a water bill he had no idea was overdue after the account was taken over by Sirinya and her lawyer and mail re-routed.

3. Find the other party in contempt, and

- Approve the requests checked below.

4. Money judgments vacated and awarded to creditor Aaron Surina as indicated above

5. Fines and penalties or remedial sanctions requested

☐ Approve other reasonable orders, including ordering the other party to:

- Order petitioner to sign the 8332 forms for the remaining years ahead to prevent having to come to WASHINGTON state to argue this every year.
- Order that the 4,500 dollars paid for her half of a fictitious car be returned with interest immediately.
- Order the court return the fraudulent judgement of over 19,000.00 that was denied which was still awarded to Mr. Glanzer when commissioner Swennumson signed for him May 23, 2019. This is a judgement Judge Hazel denied in court a week before.
- Vacate the judgement remanded to the superior court from the court of appeals - it was also already paid as all judgements were satisfied.

Other orders requested (if any):

- A. Order the petitioner to compel her income for both 2019 and 2020 including money borrowed, obtained or saved, to review and modify financial declarations as necessary to prevent such disparity among parties.
- B. Please remove any restrictions preventing the parties children from calling their family members or emergency services if they are not safe or there is an accident or emergency.
- C. Order Ms. Polarij pay a 2500 dollar sanction for forcing me to bring this already adjudicated matter before the court as Mr. Surina was sanctioned the same amount and didn't break the order.
- D. Order that Sirinya does not attempt contempt on taxes again without any change in circumstances or hearings and order her compel her finances and earned income information to justify her lifestyle.
- E. Order Ms. Polarij pay all fees related to extra tax preparations by Mr. Surina's accountants.

Mr. Surina:

I met with my client today and went over the visitation schedule for 2020. She reports to me that she will entered the dates in the Family Wizard visitation calendar.

I also had her sign the Form 8332 forms previously provided to you for David (2019), but not for Andrew. I now have the originals in my possession for both boys for tax years 2018 and 2019. Please provide me with an address to send the originals to you.

Also, in reviewing the Stipulated QDRO order I find Fidelity is requiring a residence address and specifically stating a P.O. Box is not sufficient for the order. Please provide me with your resident address at your earliest convenience.

I talked with my client about paying you \$4,000 from the monies awarded to her by the court. as incentive for you to drop your appeal. She declines to pay the money. We will need to move forward with UCCJEA appeal.
