Motion to vacate judgement, order judgement and declaration of Respondent in supp of MOTIONS.
Aaron Surina August 3, 2023

1 **RE: Motion for judgement and Affidavit of calculated estimation of true loss**
2 **in tax opportunities (2020 – 2022)**

3 **Case 17-3-01817-0**

4 **[Spokane Co Superior Court]**
5
6

7 I, Aaron Surina, the Respondent in the above-captioned case, respectfully
8 submit this Motion for Recovery of Tax Credits and Stimulus Payments, along with an
9 additional request to vacate the back support arrears unjustly levied against me.
10

11 1. Background and Relevant Facts: I am the Respondent in this family law
12 matter, and the Petitioner is the custodial parent of our children. As part of the court's
13 orders and in compliance with applicable tax laws, the Petitioner was obligated to
14 provide IRS Form 8332, "Release/Revocation of Release of Claim to Exemption for
15 Child by Custodial Parent," to me for the tax years 2020 and 2022. Regrettably, the
16 Petitioner has not fulfilled this obligation, resulting in substantial financial losses for
17 me.
18
19

20 Furthermore, despite my diligent efforts to meet my child support obligations
21 through consistent work while my income was continuously garnished and the
22 process was effortless and automated under an income withholding order. The
23 Petitioner's refusal to provide the required IRS Form 8332 deprived me of the
24 opportunity to claim appropriate tax credits and benefits, exacerbating the financial
25 strain on my family.
26
27

1 **2.** Request to Vacate Back Support Arrears: To my surprise, I recently
2 discovered that substantial back support arrears have been levied against me,
3 without any prior notice or opportunity for challenge. Every paycheck received since
4 2021 was garnished to fulfill my child support obligations, leaving no opportunity for
5 me to address or contest any alleged arrears. I had no intent or fault in the
6 accumulation of these arrears, as I diligently complied with the income withholding
7 order. The employer did not comply however and is liable for 100% of the money
8 owed to the Petitioner. The remedy for this can be found in the superior court under
9 26.18.110 (6)(a).
10

11
12 Moreover, the lengthy amount of time with no notice to me, while the dept of
13 child support did engage my employer and discuss weeks where it appeared to DCS
14 I was not working leaves me thinking everything is ok and this "digital" or "realtime
15 modern" payment system of garnishment is only functional when an employer is
16 compliant with the income withholding order. This scenario seems like their wrongful
17 assignment of these back support arrears has resulted in a negative label of
18 "deadbeat dad" unjustly attached to me. Afterall, I have, in good faith, worked with
19 Idaho Child Support and Washington Child Support to address a prior erroneous lien
20 that was issued, and Idaho Child Support confirms that the lien was created under
21 fraudulent circumstances and manipulation.
22
23

24
25 Given the circumstances and my continuous compliance with the income
26 withholding order, I humbly request this Honorable Court to vacate the back support
27

1 arrears unjustly assigned to me, as they were levied without proper notice or
2 opportunity for challenge.

3
4 3. Impact on Tax Credits and Stimulus Payments: As a direct
5 consequence of the Petitioner's refusal to comply with court orders and provide the
6 necessary IRS Form 8332, I have incurred significant financial losses concerning tax
7 credits and stimulus payments for tax years 2020, 2021, and 2022.

8
9 Below are the calculations for the estimated loss:

10
11 **A. Tax Year 2020:**

- 12
13 • Child Tax Credit: \$2,000
14 • Estimated Loss of Stimulus Payment: \$1,200 to \$1,400
15

16 **B. Tax Year 2021:**

- 17
18 • Child Tax Credit: \$3,000 to \$3,600
19

20 **C. Tax Year 2022:**

- 21
22 • Child Tax Credit: \$3,000 to \$3,600
23 • Estimated Loss of Stimulus Payment: \$1,200 to \$1,400
24
25
26
27

3 **4. Equitable Relief and Recovery:**

4
5 I seek equitable relief to recover the lost tax credits and stimulus payments and
6 request the vacation of the unjust back support arrears. I think it would be more
7 appropriate to order the judgement on the party who failed in their obligation with
8 regards to remittance of the child support deedeel believe that equity demands that the
9 court intervenes to rectify these unfortunate circumstances.
10

11 **5. Prayer for Relief:**

12
13 I, Aaron Surina, respectfully request the following relief from this Honorable Court:

14 **A. Order the employer who failed to withhold randomly out of some of the**
15 **checks the proper amount based on the amount of weeks worked, failed to pay**
16 **timely causing a huge the liability on the party who failed in their required portion of**
17 **this program. Remove the label of deadbeat which applies when someone**
18 **prosecuted for abandonment (FACT: no abandonment has ever nor will ever occur)**
19 **or fails to pay their court ordered obligations intentionally. I did not fail to pay**
20 **intentionally. I did not fail to pay at any time during this accrual. Oddly every**
21 **paycheck had a garnishment during the time this back support accumulated. I have**
22 **a single child support case. I had 0 arrears. Every check there is a garnishment or**
23 **income withholding order that takes some of the money out and redistributes it as if**
24 **there is only a single house raising my children without me. I consider that paid**
25 **when I see my check garnished. Apparently somehow the paycheck garnishment**
26
27

Page 5 of 7

1 was miscalculated or not attached properly. Some months it was correct, some
2 months it was garnished but accrued arrears. I considered it another attempt by the
3 petitioner to assign erroneous amount to me as that has happened and liens have
4 been drafted in the past with 0 arrears as I stated. Furthermore there are funds in
5 the amount of nearly 10,000 dollars in that child support account at this time from me
6 paying my obligations and my children are not at risk of poverty, the state treasury is
7 no longer burdened with costs associated and assigned by the petitioner's refusal to
8 provide health or any other item that has a dollar amount, I have taken charge of my
9 children from being wards of the state and assume full financial responsibility for their
10 care. I do not need any service from the state or help taking care of my children.
11 My children are not dependents of the state. I object to all services and profit
12 sharing programs currently being assigned without my consent under 42 USC
13 1301(d) which is the only remedy within the TITLE IV-D program Congress included
14 to provide clarity on familial rights and interference by the state in family matters
15 which are not matters of the state and familial privacy is violated otherwise.
16
17
18

19 I ask that the court Order the vacation or stay at a minimum and removal of the
20 back support arrears unjustly assigned to me without proper notice or opportunity for
21 challenge or even a notice for my awareness or bill to allow this erroneous
22 withholding to be corrected. 2 years goes by without a word to me. No levy on my
23 accounts, no garnishment notices. Nothing.. I just signed up for healthcare for my
24 sons and I including vision, dental and all the costs associated with providing for our
25 children are mine to bear and always have been. The petitioner is quick to state that
26
27

1 I don't financially support our children. This is mud slinging and is obviously not the
2 case.

3
4 **B.** Order the Petitioner to reimburse me for the estimated loss of tax credits and
5 stimulus payments, totaling \$11,600 to \$14,800, as a result of the Petitioner's non-
6 compliance and wrongful actions.

7
8 **C.** Any further relief that this Honorable Court deems just and equitable.

9
10 **6. Conclusion:**

11 I, Aaron Surina, appreciate the court's attention to this motion and request. I
12 firmly believe that your intervention will ensure justice and fairness in this
13 matter, protecting the rights and well-being of all parties involved.
14

15
16
17 I remain committed to upholding the principles of justice and maintaining the
18 utmost professionalism throughout this litigation. Thank you for your attention to
19 this matter, and I look forward to the Court's guidance in resolving this case.
20

21
22 **I swear or affirm under penalty of perjury that the foregoing is true and**
23 **correct to the best of my knowledge and belief.**
