SPOKANE COUNTY CLERK

**SUPERIOR COURT OF WASHINGTON
COUNTY OF SPOKANE**

In re the Marriage of:

SIRINYA SURINA

Petitioner,

And

AARON MICHAEL SURINA

Respondent.

No. 17-3-01817-0

DECLARATION OF:
SIRINYA SURINA IN SUPPORT OF
CONTEMPT MOTION

Sirinya Surina Declares:

1. I am the Petitioner and mother of David and Andrew Surina;
2. I received the attached text message (Exhibit A) just hours after the court entered our temporary order restricting our contact to written communication about the children only. Aaron complained about the cost of the legal action and offered to "help" me.
3. We agreed to a Thursday visit for Aaron due to the late finish of our Hearing on Wednesday, September 27, 2017. Aaron began immediately to insist on his version of the court order with regard to exchanging the children at the school. (Exhibit B) He also used the occasion of exchanging the children to berate me about "working together", not wanting to share the children and that our "lawyers want us not agree."
4. On September 29, 2017 at 7:39 a.m. Aaron started pressuring me to change our parenting plan. (Exhibit C, a true and correct copy of Aaron's email)

- 1 5. On October 2, 2017 at 2:03 p.m. (Exhibit D) Aaron informed me about doctor's
2 appointments he had set for Andrew and David without consulting me. I took the children
3 to their appointments at a later date where they received their immunizations and check
4 ups. He also tried to set up a counseling session without consulting me, with a counselor
5 that I did not agree to.
- 6 6. Aaron also pressured me to enroll Andrew into KinderCare Learning Center, a fulltime
7 daycare, for our 14 month old. Even though we had planned for me to open a daycare
8 before we separated.
- 9 7. On October 2, 2017 at 3:39 p.m. (Exhibit E) Aaron once again emailed me about settling
10 our parenting plan under the guise of "communicating via writing about the children only."
11 His email was about settlement and not about our children's medical appointments or
12 exchanges as ordered by the court. When I get these emails, I don't know how to respond
13 and need to call my attorney, which cost me more money.
- 14 8. I attempted to exchange the boys on Friday, September 29th, but Aaron came early to the
15 exchange and wanted to exchange the boys at 3:00 p.m. even though David is not
16 released from school until 3:15 p.m. A fact Aaron was aware of on the day we entered the
17 temporary order. He ignored the "curb side exchange" part of the order and arrived early
18 at the school.
- 19 9. Additionally, he drove onto my premises on the next exchange with the boys and parked in
20 our driveway, where he could not be seen from the front door.
- 21 10. I communicated with Aaron that I did not want to continue the exchanges at the school.
22 My attorney communicated to Aaron's attorney that I did not agree to bring Andrew to the
23 school for Friday exchanges. Especially due to Aaron's ignoring the boundaries set by the
24 court. Aaron once again insisted on his version of the court order and refused to make the
25 exchange at our residence curbside.
11. On Friday, October 13, 2017, Aaron came almost a half hour early to Aaron's school to
pick him up. Even though he knew Andrew would not be there for an exchange. He did
not wait in the parking lot to do a curbside exchange, but went into the school and whisked
David away from me and out to his car. He then drove to my house where he picked up
Andrew curbside.

1 12. In August 2017, we enrolled David to attend ½ day Kindergarten on Monday through
2 Thursday. He gets out at 11:30 a.m. during the week. On Friday he is released at 3:15
3 p.m. Aaron is fully aware of David's school schedule. On Wednesday, October 18, 2019,
4 Aaron sent me a text message, (Exhibit F, a true and correct of Aaron's text message to
5 me) acting as if David was attending Kindergarten for the full day. He insisted that the
6 exchange was supposed to be at the school. The court ordered Wednesday pickup at my
7 house at 3:30 p.m. with a return at 7:00 p.m. Aaron showed up almost ½ hour late. He
8 took the children to the hospital to falsely accuse me of beating Andrew. After Aaron was
9 almost 1 ½ hours late, we started calling hospitals. We discovered that Andrew had been
10 checked into Sacred Heart Hospital. I sent Aaron an email to ask him why Andrew was
11 checked in at the hospital. (Exhibit G, a true and correct copy of my October 18, 2017
12 email thread) When he didn't respond, I called crime check. He did not return Andrew and
13 David until almost 10:00 p.m. Police came to my house before Aaron arrived to look
14 around and interview me. When Aaron arrived, the police went out and talked to Aaron.
15 They came back to the house and asked if I could get some clothes for Aaron to wear to
16 work. I went to the garage and bagged up 3 shirt jackets and some socks. The police
17 finally left around 10:40 p.m.

18 13. I want David to come home after school on Friday when he is scheduled to spend the
19 weekend with his Dad to allow me to say good bye and encourage him

20 14. When the court outlined a weekend schedule and exchange times allowed that we "may
21 exchange the children on Friday at the school." After we tried the first Friday exchange, I
22 gave Aaron notice that I did not agree to continue the Friday exchange at the school.
23

1 15. I ask the court to make a finding that Aaron is in contempt of the court order due to his
2 failure to limit his contact with me and for violating the curbside exchanges as ordered by
3 the court and for the late exchange October 18, 2017 due to Aaron's false accusations.

4 I declare under penalty of perjury under the laws of the state of Washington that the
5 foregoing is true and correct.

6 Signed at Spokane, Washington, October 19, 2017.

Sirinya,

The KinderCare tours are 9-2pm everyday.

This is really important to help Andrew grow, especially while we go through the next couple months of change.

The doctors have informed me that he's developmentally behind and should be able to do certain things that currently are impossible for him. They raised the concern on one of the last visits so let's be proactive and help Andrew progress.

Doctors Appointments for Andrew and David:

(509) 747-3081

1919 S Grand Blvd, Spokane, WA 99203

Andrew and David both have another vaccination appointments due. They should be scheduled this week. Since I don't have them with me this week, I'm hoping you can bring them to the Dr's appointment.

I can help you through the process if you'd like. **(Tomorrow? if you're doing half days for David this week on Tues & Thurs, would this work for you?)**

This would be a first time for you to take them to the Doctor by yourself. I'd be willing to make the appointments for you around school, I just need to know what you need help with and what you can manage yourself since this is all new to you. Your first Doctor appointment will be brief. They just need their vaccinations wrapped up.

Let me know a time that works for you tomorrow with both of them. If you're doing a half day tomorrow for David I think around 12:30 or 1pm would work. I'll schedule it for 1pm if you don't reply with an alternative that works better for you. Again, just let me know what you need.

Make sure to feed and hydrate them both before you take them in for this. (Food and water/juice)

It's Peds Manito there across from the Manito Park. Let me know if you have any questions. If you'd like to also schedule the appointment to figure out that process, that is fine as well. Let me know what you need, I'm happy to help you with the process

Our children's healthcare is vital that we communicate on.

Therapy for David:

(509) 455-8819

Better Directions Counseling

1124 W Riverside Ave, Spokane, WA 99201

EXHIBIT D

David has counseling **either today or next monday**. Can you call "Better Directions" and figure out which it is and make sure David makes it to the appointment?

It's at 4pm so you have plenty of time to get between the school or house and the appointment. The place is downtown, not too far from the Mobius museum. "**Better Directions**". Need to arrive a few minutes early and they'll call David back. The appointment's about an hour long and they bring him back out afterwards. He seemed to really love it. It will help him to get through this confusing time we are going through. The Dr's name is Zach

Please let me know if you have any questions, I'm willing to help however it's needed.

KinderCare Learning Center for Andrew:

Kadie Link - 509-534-2319

Director

Kinder Care

3201 E 26th Ave, Spokane, WA. 99223

Please Give Kadie a call to let her know when you can stop in and walk through the care center for Andrew.

She's expecting your call. I toured the place today, I was impressed. I think Andrew will do really well there.

It's about 1,000.00 a month but it's worth every penny to help Andrew grow. I'll take care of the bill, I just want you to go and tour the place and become familiar with where it is and the people there so you're comfortable / good with it for when you're taking David to school and dropping Andrew off on the way / picking up and picking up on your days.

He can start Wednesday which will help with going in to review our parenting plan in 2 days downtown

- She knows we'll be sharing the children and she's very familiar with how this works.
- She can answer questions on how we'll be able to pick up, drop off, advise and help Andrew grow through this time.
- They are very nice and the place is awesome.
- Scheduled meals
- Scheduled activities
- Age based Curriculum (Age based learning)
- There are a bunch of 1 year olds which he's going to love!
- They have lunch, hands on learning programs, recess outside when weather permits, water fountains in the summer time, naps and everything to help them learn and grow all day.
- It's pretty exciting.
- You're free to tour between 9 and 2pm with or without Andrew if you'd like to bring him. I suggest you bring Andrew. I certainly would bring him.
- Andrew's schedule would be roughly the same as David. Breakfast is at 8am for Andrew. Pickup would be around 3:30pm. You don't have to be there exactly at 8 or 3:30 but that's the general schedule so he catches breakfast in the morning.
- They are all really nice people and looking forward to meeting you and Andrew.,
- I plan on returning with the check to pay his tuition either this afternoon or tomorrow.

To let them know you're coming down to tour and check it out, give Kadie a call

Please let me know if you have any questions or you need any help with anything.

You don't have to pay for any of it. I'll take care of it.

Also, let me know if the kids need anything else. I have David's jacket in the car, I can drop it by if your mom is around and wants to walk to the driveway - no big deal later on.

Let me know what you need for David or Andrew if it's something I should or could help with. I'll take care of it.

Thank you for helping! I really appreciate it.

Regards,

Aaron Surina

For the well being of our children, lets be realistic.

We both can work together for whatever the children need.

If one parent is sick or has something for work, or any need, let's work together for what our children need.
If a child needs something, let's communicate and work together.

Child Support is set already.
That is what it is.

Now we can move forward.

Can we make a schedule that is good for our children?
And also allows us as parents to be the best we can be for our children?

This is my proposal -

50/50

Friday to Friday

With 2 one on one afternoon / dinners each week, one with each child, with each parent.
Both children and both parents will have an afternoon and evening 1 on 1 with each child.
We can be flexible with this.
It is a bonus that we can give to our children.

I think this is important for all of us but perhaps we should wait 2 weeks to add this while we all adjust. We can communicate about this together. Let me know what you think.

Switch Parents at the end of the school day on Friday.

Let's call it Parent On, Parent Off and Switch.

EXHIBIT E

Parent On picks up children from school on Friday and has them through dropping them off at school the next Friday.

'Parent On' means who the children are staying with for the week, who is primarily responsible to take care of them, get them to school, pick them up from school.

'Parent Off' is who the children are not staying with for the week but still available.

Switch - Primary Responsibility switches to the other parent for the week.
Parents switch from 'Parent On' to 'Parent Off'

Friday Switch Parents

- Friday Morning Parent ON drops off children to school.
- 11:30am Friday - parenting switches to other parent.
- End of school day NEW Parent On picks up children from school.

One on One afternoons.

The school week with each parent is Monday-Thursday and Friday Morning.

Friday is the switch day.

Tuesday and Wednesday are the middle of the week.

We both miss our kids.

One on One afternoons

Tuesday - David - Parent Off picks up David from school for a 1 on 1 afternoon and evening.

Parent On has 1 on 1 with Andrew.

Parent Off returns David to Parent On at 7pm.

We can be flexible where we meet but need to choose a set drop off place.

Wednesday - Andrew - Parent Off picks up Andrew from school for 1 on 1 afternoons and evening

Parent On has 1 on 1 with David.

Parent Off returns Andrew to Parent On at 7pm.

With both children in school, our Parent Switches would be done by the new 'Parent On' picking the children up from school as the other parent would have dropped them off at school for the start of their school day.

I think this schedule is the most fair and reasonable that we can do for our children and each other.

Having them both in school will give them stability and not switching them back and forth during their school week is in their best interest. They will have weekend transitions with each parent before their next school week.

I want to help you have a schedule that allows you to do the things you noted you intend on doing such as taking classes and pursuing employment.

I hope that we can focus our attention on working together to give our children the best that we are able. We don't need to fight anymore.

I hope we can be flexible to work together. I intend on doing so.

The bonus - 1 on 1 afternoons.

If the Parent Off can't make it, the Parent On is responsible and will pick up the child as the other days their week but there must be confirmed communication of change to the Bonus afternoons.

We will need to address holidays and special days.

Again, let's work together

If there is a special event one of us wants to bring one or both children to, we just need to communicate with each

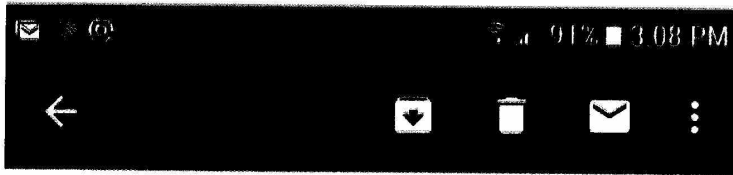

Surina exchange today.
