AFFIDAVIT OF AARON SURINA IN SUPPORT OF

[MOTION FOR TRIAL OR RECONSIDERATION]

I, Aaron Surina, being duly sworn on oath, depose and state as follows:

Introduction: I am the respondent father in the above-captioned matter, and I submit this affidavit in support of my motion for trial or reconsideration. This affidavit serves to include and incorporate by reference all submissions I have signed and filed in this case.

Submissions Overview: Since the inception of these proceedings, I have made multiple submissions to this honorable court, aimed at protecting my parental rights and securing the best interests of my children, AAS and DMS. These submissions include, but are not limited to, motions, declarations, and other pertinent documents that reflect my ongoing commitment to the welfare and safety of my children.

Purpose of Inclusion: The inclusion of all my signed submissions in the motion for trial or reconsideration is crucial. It demonstrates the consistency of my arguments, the depth of my engagement in these proceedings, and my unwavering commitment to rectifying the circumstances that have led to the current custody arrangement. These documents collectively support my plea for a fair reassessment of the custody arrangement in light of the principles of due process, equal protection, and the fundamental rights of parentage.

Legal Basis: This request is grounded in my right to a fair trial and consideration under the law. It is submitted in good faith, with the belief that the evidence and arguments presented throughout the course of these proceedings warrant a comprehensive review by this honorable court.

Conclusion: I respectfully request that this honorable court include and consider all submissions signed by me in the motion for trial or reconsideration. It is my sincere belief that a thorough review of these documents will elucidate the necessity of revisiting and, potentially, revising the current custody arrangement to truly serve the best interests of my children, AAS and DMS.

I affirm, under penalty of perjury under the laws of the State of Washington, that the foregoing is true and correct.
