Declaration of

(DCLR)

Declaration of (name): Jeffrey Alan Boylen

1. I am (age): 45 years old and I am the (check one): ☐ Petitioner ☐ Respondent
☐ Other (relationship to the people in this case): _____

2. I declare: I have known Aaron Surina for 33 years.

I have watched him as a father to his children and I am impressed. I consider myself a pretty good father so I tend to judge people critically when it comes to parenting. Aaron is a dedicated loving father who always puts the needs of his children first. I have been a close person to Aaron and the children for years and it's sad to see how our justice system has failed both Aaron and the children. I see Aaron take the boys

out on adventures and allow them to be active and healthy kids. All he ever talks about is the boys and what he plans to do with them and the adventures they have had. Aaron in my opinion is a great father who always has his kids best interests at heart. He is a hardworking provider to his children and he always makes the best out of every situation.
